## BH BUNNY

He's got it to burn but he's full of clinkers

He's a dear old coot  
but I'll bet that's  
the hat  
he wore on that  
first stroll

When first I walked on this old street, 'twas many years ago  
And it has been a joyful sight to watch it daily grow  
I walked here then without a cent, but youth I had galore  
Now I have plenty of long green, but youth alas no more

WHY —

—YOU SEE  
BEANS NEVER  
AGREE WITH
